Summer Internships

Ministry is one of the most rewarding jobs in the world. As a summer intern you will be a part of what God is doing at Barefoot Church. This is a great responsibility, which is why we take our intern roles very seriously. An intern will take ownership in ministry, and will have the opportunity to be equipped with leadership skills. Summer internships involve assisting with the tasks of ministry. We expect our interns to work hard and help with every aspect of what we do in each ministry. Interns will be an integral part of summer events and programs and will be relied upon in many situations. In addition, the summer interns will be expected to not only assist in the tasks of ministry but to bring others along and empower them to do ministry.

Unity

A unified team is vital to the growing ministries of Barefoot Church. Any negativity towards other interns, staff, or procedures that are expressed to anyone including other students, volunteers or other staff members is especially detrimental. Interns are expected to support the ministries of Barefoot Church. Issues should always be taken directly to the person they have the issue with. If it cannot be resolved bring the issue to the attention of the Life Development Pastor. Gossip will not be tolerated!

Vision

Our vision is to leverage the summer interns skills, gifts and talents to develop their character, calling, and competency as they participate in the mission of Barefoot Church.

Benefits of The Summer Internship Program

Interns will be provided with valuable ministry experience and leadership training. Participation will give interns greater presence and responsibility in Barefoot Church ministries. Participation will strengthen an intern's résumé as they pursue college, vocational ministry, and their career path.

Integrity

Above reproach: so good as to preclude any possibility of criticism. In other words, don't put yourself in questionable situations.

You are expected to conduct yourself in a manner worthy of being called a Christ follower. Will you mess up? Yes! Will you make mistakes? Yes! You are human, so mistakes are going to happen. Living above reproach takes thought, time, and prayer.

You are considered to be a leader and are expected to act like one at all times, on and off of church property. Guard your actions and mouth by not allowing yourself to be put in a situation that will cause your integrity or motives to be questioned.

Partnership With You

We are excited at the possibility to partner with you this summer. Get fired up to get out, get involved, and through your obedience, see lives change as you identify your gifting, develop leadership skills, and learn to accept, value, and equip others!

Dismissal From The Program

Barefoot Church has the right to dismiss any intern at any time from this program as it deems necessary to the overall success of the program.
